Cheryl Brunetti Takes Top Honors

NEW YORK, May 21, 2015 – [Cheryl Brunetti, Executive Chairwoman](#) of [RVM Enterprises, Inc.](#), was honored by The Executives' Association of New York City (EANYC), in partnership with SmartCEO, at the celebration for the 2015 Deals of Distinction Award on Wednesday, May 20th at Capitale in New York City. Ms. Brunetti took top honors for her accomplishments in the technology sector.

The 2015 Executives' Association of New York City Deals of Distinction program honors innovative business leaders and dealmakers from the Greater New York City region who have a unique story to tell about a business transaction and/or partnership that made a significant impact on the company and its success. Finalists and winners were chosen by an independent panel of local business leaders and assessed based on the details of their deal/partnership, and how it positively affected the organizations involved, the industry or the business community as a whole.

Year after year, RVM strives to make a difference and to support the people who work at RVM as its business continues to grow. This year, RVM and Ms. Brunetti were recognized for striking a deal to do just that. Understanding that working environment and corporate culture are key drivers in any successful company, RVM made every effort, in cooperation with Bank of America and the New York Business Development Corporation, to acquire new space.

"RVM is in the business of providing excellent service, so being able to attract and retain the best in the industry is vitally important to the Company," said Cheryl Brunetti. "Our customized state-of-the-art office is one of the key drivers allowing us to achieve our goal of attracting the best and the brightest."

Through Ms. Brunetti's leadership, RVM was able to acquire new office space, facilitating a tremendous gain in efficiencies through increased interdepartmental communication and collaboration. Additionally, the creation of a state-of-the-art Center for Education and Development improved internal training, facilitating staff in reaching goals. Today RVM is a healthier company, providing a new on-site Fitness Center, free to all employees.
