Shelley Brown Joins RVM as Director of Managed Review Services

NEW YORK, November 10, 2015 – Following its expansion earlier this year to [Los Angeles, CA](#) and [Cleveland, OH](#), with the inauguration of state-of-the-art Managed Document Review Centers, [RVM Enterprises, Inc.](#) is pleased to add [Shelley Brown](#) to its team of experts. Ms. Brown has joined as the Director of Managed Review Services, where she oversees all aspects of attorney review in RVM's Managed Review practice.

In a recent interview with [Metropolitan Corporate Counsel](#), Ms. Brown discussed the evolution of the business of eDiscovery. "I often hear quoted a UC San Diego study that suggests that 99.8 percent of all of the data that exists today was created in the last two years," Ms. Brown said. "The focus has shifted away from a hunt-and-peck type of review to using technology to help you get to the most important data first, before the discovery clock runs out."

Prior to joining RVM, Ms. Brown was a successful attorney for a major class action law firm, where her practice focused on eDiscovery issues in securities litigations. She has extensive experience consulting with and advising corporations and law firms on various Litigation Readiness and Information Governance issues, corporate policies and procedures and cross-border privacy concerns.

"As RVM continues to grow, it will stand by its reputation of providing exemplary customer service within the eDiscovery industry," said [Vinnie Brunetti, CEO of RVM Enterprises, Inc.](#) "RVM has been extremely successful with the expansion of its document review centers. The opening of the LA and Cleveland offices extended our reach across the United States and has enabled RVM to consistently provide the first class level of service RVM clients have come to expect." Mr. Brunetti added, "I'm happy that we could add [Shelley](#) and her outstanding expertise and talent to the RVM family. Her joining marks another milestone for the company."

RVM has been named the Best End-to-End eDiscovery Service Provider by the New York Law Journal. RVM was also distinguished for the fifth consecutive time on the [Inc. 5000](#) honor roll, an exclusive ranking of the nation's fastest growing private companies.

About RVM

A leader in the eDiscovery industry, [RVM](#) has been the preferred provider of eDiscovery services and data solutions to leading corporations and AmLaw 100 firms for nearly two decades. RVM is headquartered in New York, with offices in Chicago, Cleveland and Los Angeles. Its experienced professionals can assist around the world, across industries and in both the private and public sectors.

RVM's services include Forensic Data Collection, Data Processing and Production, Data Hosting, Advanced Data Analytics, eDiscovery Strategic Consulting, Information Governance Consulting, Litigation Readiness, and Managed Document Review.

RVM has been ranked on the Inc. 500|5000 for the fifth consecutive year and has been recognized by the WPO as one of the 50 fastest growing women-led businesses around the globe. RVM has a strong commitment to diversity and inclusion and is proud of receiving certification as a women's business enterprise by the Women's Business Enterprise National Council (WBENC).
